

Summer Public Swimming Sponsorship Program Aylmer Outdoor Pool

Thank you to our 2025 sponsors, whose support made it possible for 2,811 individuals to swim for free!

2026 Aylmer Pool Public Swimming Sponsorship Opportunity!

Dear Friends,

We're making a splash this summer at the outdoor pool in Aylmer and we hope you will join in the fun!

Would your business consider sponsoring a Public Swim this summer? Sponsoring a swim at the Outdoor Pool in Aylmer is an affordable and meaningful way to make a difference while also promoting your business.

Through sponsorship of recreational swimming, children learn water safety and how to swim, families spend time together and our community celebrates the joy of water. Last summer, with partnerships and through the generosity of sponsors, over **2,800 swimmers** enjoyed access to free, supervised public swimming each weekend. We hope we can share in this incredible impact together again!

Your support is truly valued and continues to be vital in providing local opportunities to have fun, be active and connect – it is felt in every splash, every smile, and every “I love swimming!” moment at our pool. We can't do it without you!

Your sponsorship will provide a **free swim session for the community**, ensuring that everyone—regardless of financial circumstances—has the opportunity to enjoy coming together in a supervised pool.

Sponsorship Details:

- **Cost: \$700** (Acknowledgement letter provided).
- **Your sponsorship covers free entry** to public swimming during designated date/time(s).
- **Recognition at the pool** with your name/logo (if provided) on our sponsorship poster
- **Shout-out on YWCA social media** leading up to your sponsored event.
- **Opportunity to display your business banner** at the pool on the day of the event.
- Sponsorship opportunities are available on **Fridays and Saturdays in July and August** (alternative options may be available upon request).

To be recognized in advance YWCA promotions, we kindly ask for sponsorship commitments by **May 15, 2026**. If you have any questions or are interested in supporting this initiative, please reach out to me at slounsbury@ywcaste.ca.

From all of us at the YWCA St. Thomas-Elgin, **thank you** for considering this opportunity to support our community. We truly appreciate your generosity and look forward to making waves together this summer!

Warmly,

Sarah

“Summer swimming is more than just a way to cool off—for many in our community, it is the delight and treasure of joining in. Families, children, and individuals often walk from their homes, excited for a chance to swim, connect, and create lasting memories. Free recreational swims ensure that everyone, regardless of their circumstances, has the opportunity to experience the joy and benefits of being in the water. Thank you for helping us make a big splash!”
 ~Melissa McDowell, Aquatics Coordinator
